SAM LOSES TO NETS TO CATCH EASTLAND'S VICTIMS

President Is Defeated in

Battle at Port au

Prince.

VICTOR TAKES OFFICE

Vanguished Official Flees to French

Legation-Many Slain in

Street Fighting.

The downfall of President Guillame

Sam of Haiti, and the accession of Dr. Rosalvo Bobo was reported to the State

Department by the American Legation

at Porto au Prince. The battle, which resulted in the overthrow of Sam, took

place in the city of Port au Prince, the

capital of the republic. Many persons are reported to have been killed in the

street fighting.

The attack, which began at 4 o'clock

yesterday morning, gradually centered

about the presidential residence, stoutly

defended by President Sam and a small

number of loyal members of his govern

ment and soldiers. It was not until the building was set on fire by the attacking force that President Sam fled, taking refuge in the French Legation. At last

reports the revolutionists are in com-plete control of the city. Further trou-

ble is feared as a result of factional trou bles among the rebels.

For the last several years there has

hardly been a day in Haiti when a revo-lution against the government was not in progress. There has been a rapid

succession of presidents, each basing his

CANOEISTS BAND TO SAVE LIVES

Volunteer Patrol Corps for Potomac Organized at Conference.

MAJ. PULLMAN GIVES AID

Wilbert Longfellow, of Red Cross, Directs Work-Says Escorts Should Be Able to Rescue Girl.

Initial steps toward organization of volunteer life-saving corps for the pa-trol of the Potomac and protection of devotees of aquatic sports from drowning were taken yesterday afternoon at a conference between Maj. Raymond W. Pullman, superintendent of police: Wilbert E. Longfellow, field representative the first aid department of the Red Cross, and a score or more canocists. The meeting was held in the office of Maj. Pullman, in the District Building. With a view to arousing city-wide in terest in the crusade to decrease the number of drownings in the Potomac, stereopticon lectures, open to the public, will be held within a few days. The lectures will be given by Mr. Longfel-low, and will be made generally inter-esting by the display of a large collec-tion of lantern slides. The first lecture will be held tomorrow night, probably in the rooms of the Chamber of Commerce. Another lecture will be held Sat-urday night at one of the boat clubs near Aqueduct Bridge.

Longfellow Will Instruct.
